2006 KrasSAACE, IT Translator Specialist (English Language), Krasnoyarsk, Russia.

Courses Certificates

2009

- VoIP in Practice, Avaya University, Certificate
- Avaya Communication Manager Overview, Avaya University, Certificate
- Avaya Media Servers and Gateways, Avaya University, Certificate

2008

- Install and Initialize S8500B Media Server, Avaya University, Certificate
- Install and Initialize S8400 Media Servers, Avaya University, Certificate
- Install and Initialize S8300B Media Servers, Avaya University, Certificate
- IP Office Data Components (Retired), Avaya University, Certificate
- IP Office Release 4.2 Technical Delta, Avaya University, Certificate
- Building Wireless Networks by D-LINK equipments, D-LINK, Krasnoyarsk
- IP Office CCC Implementation Workshop, Avaya University, Moscow, Certificate
- IP Office Advanced Application Workshop, Avaya University, Moscow, Certificate
- ICND2 Interconnecting Cisco Networking Devices Part-2, Lanit, Krasnoyarsk, Certificate

- Avaya IP Office, Vervysell, Novosibirsk

2007

- Avaya Communication Manager Basic Administration, Avaya University, Moscow, Certificate

Assessment Certificates

2009

- Avaya Communication Manager Basic Administration, Avaya University, Certificate
- VoIP in Practice, Avaya University, Certificate
- Avaya Communication Manager Overview, Avaya University, Certificate
- Avaya Media Servers and Gateways, Avaya University, Certificate

2008

- IP Telephony Launch Implementation Highlights, Avaya University, Certificate
- Install and Initialize S8300B Media Servers, Avaya University, Certificate
- Install and Initialize S8400 Media Servers, Avaya University, Certificate
- Install and Initialize S8500B Media Servers, Avaya University, Certificate
- IP Telephony for Implement Curriculum Level, Avaya University, Certificate
